

SATURDAY MORNING VISITOR.

STATE OF MISSOURI.

County of Warren.
In the Warren County Court, November term 1848.

AMONG the records and proceedings of said Court, made on the fifth day of said term is the following, to wit:
SAMUEL T. GREGORY, Curator of the Estates of William E. and Elias A. Rice—(On application for sale of Real Estate.)

NOW here said curator files his petition for the sale of the real estate of said heirs, for the education and support of said heirs, an inventory of the real estate and the remaining personal estate, with its appraised value, and all other assets in his hands, the whole verified by affidavit.

It is therefore ordered, by the Court, that all persons interested be notified of said application, and petition, by publication thereof in some newspaper printed in this State, for six weeks prior to the next term of this court; and that unless cause to the contrary be shown on or before the first day of said next term, an order will be made for the sale of the whole, or so much of the real estate of said heirs, as will be sufficient for the purposes aforesaid.

L. Thomas J. Marshall, Clerk of said Court, do hereby certify that the foregoing order is truly copied from the record in my office. Given under my hand and seal of office, at office, this 30th day of November, 1848.

DR. WISTAR'S BALSAM OF WILD CHERRY.

OLD VIRGINIA JGAIN
Albion Co., Va.
March 21, 1847.

Mr. Seth W. Fowle—Dear Sir:—I take pleasure in stating to you my experience in the use of Wistar's Balsam of Wild Cherry. I own a very valuable negro girl, who was attacked with a difficulty of the lungs, which brought her in appearance to the brink of the grave. I consulted some of our best physicians, who pronounced her case incurable, or that they could do no more for her. I tried many remedies but none did any good. I saw some account of Wistar's Balsam, and thought I would try it, but had little faith in it. I procured a bottle, which was administered according to directions, and I saw she began to mend; and before the first bottle was gone she was up. I procured a second bottle, and she took that, and now she is, I think, cured, or nearly so. She attends to her daily labor, and I hear no complaints from her.

R. L. JEFFERSON.
Consumptive Patients.—Will please read the following statement from the Harrison Gazette:—The credulous are invited to read the following note from Rev. Mr. Coldron, whose character for truth and veracity is above suspicion, and have their doubts dispelled to the superiority of Wistar's Balsam of Wild Cherry, over all other remedies now before the public of the same character:

CORVOS, Ind., Jan. 28, 1848.
It is no less a duty than a pleasure to state, for the benefit of the afflicted, that I consider Wistar's Balsam of Wild Cherry a great blessing to the human race. Having tried it in a case of severe affliction of the lungs, I unhesitatingly recommend it to those similarly afflicted, as the best remedy I have ever tried, and one which cured me when physicians said I must die, and when I thought myself that my time to depart was near at hand.

WM. GOLDRON.
CAUTION.—To guard against a spurious imitation of Wistar's Balsam, put up in Philadelphia by one W. M. Spear, the genuine has the names of Henry Wistar, M. D., Philadelphia, and Sandford & Park on the fine steel engraved wrapper—without both of these names, it is positively counterfeit.

HENRY BLANKLEY & Co., S. W. corner of 3d and Chesnut streets, sell the above medicine. Price \$1 per bottle.
Sold also by
BROWN & DUNN, Warsaw,
COX & McCLAIN, Osceola,
R. J. McELHANEY, Springfield.

and upon inquiry—observing strictly the above caution—may be found in every town throughout the State.

The Great POPULAR MEDICINE

Of the Day—Vast amount used per month—The numerous and wonderful cures it effects—Its magical effects upon Bilious Fevers and Fever and Ague—Great Excitement among the Doctors.

THE INDIAN QUEEN VEGETABLE Sugar Coated Pills are now admitted, on all hands, to be the most extraordinary and valuable medicine in general use. It not only acts as a specific upon the Bilious and Typhus Fevers, Chills and Fever, and Fever and ague of the west and south, but in all diseases of debility, weak stomach, indigestion, loss of appetite, impurity of the blood, and all diseases prevalent in a western and south-western climate. Their great power consists in their peculiar effect upon all the organs of the system, and the rapid formation of new and rich blood, which they produce. In this lies the great secret of their success. They are mild and pleasant in their action, but searching and permanent in their effect, penetrating the remotest recesses of the system, by their ready absorption into the blood, thereby infusing a new supply of vitality and nervous power into all the machinery of life. The extensive popularity they have acquired all over the west and south, ensures the sales of at least

Fifty thousand Boxes a month.
And we find it difficult, with our large force of hands, and the late improvements in machinery, which we have adopted, to manufacture them fast enough to supply the demand in the thirteen western and southern States. One large manufactory is constantly engaged in preparing the various concentrated extracts of which they are composed. From the best information we can obtain from our 8,000 selling agents and hosts of attentive correspondents in all parts of the country, our medicine cures, per month, not less than

10,000 cases of Fever and ague, (1000 of which resisted all other treatment; 4,500 cases of bilious fever; 3,500 cases of weakness & general debility; 2,500 cases of various chronic diseases; 2,000 cases of weak stomach and loss of appetite; 800 cases of dyspepsia; 1,200 cases of rheumatism; 1,000 cases of female complaints; 1,200 cases of ague cake, or enlarged spleen; 1,500 cases of liver complaint; 800 cases of salt fever; 400 cases of typhus fever; 300 cases of sore throat.

This must appear almost incredible, but the numerous letters from physicians, agents and those who use the medicine, from all the western and southern States, satisfy us that this is a moderate estimate, and that our medicine is rapidly taking the place of the various sugar coated counterfeits, which are afloat, and the numerous tonic mixtures, made wholly of quinine, which are imposed upon the public by manufacturers who live, nobody knows where!

Dr. Bragg's famous Sugar Coated Indian Queen Vegetable Pills, are of two kinds—the Cathartic and Tonic. The Tonic Pills are peculiarly adapted to the quick and permanent cure of Fever and ague, Torpor of the Liver, and General Debility. It is in fever and ague, chills, fever, &c., that they achieve their greatest triumphs. It rarely requires over 12 hours, or more than half a box of the Tonic Pills, to break the chills and effect a permanent cure—which is rarely the case with the tonic mixtures of quinine, hawked about the country by ignorant pretences. Those who take the Tonic Pills need never forsake them.

Who can wonder, then, that a medicine of such extensive popularity and extraordinary virtues should cause great

Excitement among the Doctors!
The prejudices of physicians against their use are at last giving way to the play of reason, and the convictions of every day experience which they derive from their patients and friends who use them.

Doctors are now almost every day sending orders from every part of the country, for a supply of the Pills to use in their practice.

WILLIAM M. GREGG, Adm'r. of the Estate of John H. Smallman, dec'd.

The Estate of John H. Smallman.
Probate Court of Polk County, December Term, 1848.

NOW at this day came Wm. M. Gregg, administrator of the estate of John H. Smallman, dec'd., and herein files his petition, alleging that the personal estate of said dec'd. is insufficient to pay the debts of said dec'd., and praying for the sale of real estate. Said petition was verified by oath as the law directs, and accompanied by a true account of his administration, a list of the debts due to and by the dec'd., and remaining unpaid, and an inventory of said real estate, and the assets in the hands of the said administrator.

It is therefore ordered by the Court, that all persons interested be notified thereof, by publication in some newspaper printed in this State for six weeks, that unless the contrary be shown on the first day of next term of this Court, to be begun and held at the Court-house in the town of Bolivar, on the first Monday of March, A. D. 1849, an order will be made for the sale of the whole or so much of said real estate as will pay the debts of said dec'd.

JACOB CARPENTER, as Adm'r. of the estate of Henry Carpenter, dec'd., and others—Plaintiffs,
Vs.
PETER CARPENTER, & others—Defendants.

THE said complainants having this day filed the bill in Chancery against the said defendants, and also an affidavit, showing that the said Peter Carpenter is a non-resident of the State of Missouri, and that the residence of other defendants is unknown to said complainant.

Therefore, it is ordered that said Peter Carpenter, John Robinson and Susan his wife, Maxwell Hunt, Sarah Atkinson, Samuel Fewell and Mary Ann his wife, be notified that said Jacob Carpenter, administrator of the estate of said Henry Carpenter, dec'd., Calvin Carpenter, Samuel Carpenter, and others, heirs and distributees of the estate of said Henry Carpenter, dec'd., have this day filed their bill of complaint in the office of the Clerk of the Circuit court of Benton county, alleging in said bill of complaint, that the said Henry Carpenter, dec'd., sometime in the year 1835, died intestate, leaving an estate to be divided among the said complainants and defendants—that the said Henry Carpenter, dec'd., in his life time, made advancements of money and property to several of his sons—and among them, the said Peter received by way of advancement, the sum of \$750 on the 15th day of March, 1839, which advancement, with the interest thereon, at the time administrator was appointed, said estate, amounted to 1204 92—which sum was inventoried and counted as part of the estate to be divided equally among the distributees of said estate; and praying that a decree may be rendered compelling the said Peter to bring into hotchpot the amount advanced to him, and that the estate be equally divided among all the heirs. And that unless they be and appear before the Honorable Judge of our Benton Circuit Court, on the first day of the next term of said court, to be begun and held at the Court-house in the City of Warsaw, in the county of Benton, on the second Monday in March next, and within the first six days of said term, if the term shall so long continue, and if not, then before the end of the term, deny, plead or answer the said bill of complaint, the same will be taken as confessed, and a decree rendered in conformity with the prayer of the said complainants.

And it is further ordered, that a copy of this order be published in some newspaper printed in this State for eight weeks successively, the last publication thereof to be at least four weeks before the commencement of our said next term.

Monthly Bulletin, No. 9.

THE position of the Grifenberg Company in its relations to the health of the community is now fully established; and the admirable series of the Grifenberg Medicines are everywhere taking the lead of all others.

In numerous portions of the country, THE MEDICAL FACULTY adopt these medicines in their practice; satisfied by their use they can more certainly combat Disease in all its forms. And not only do physicians sanction and encourage their use, but THE CLERGY of every denomination attest their wonderful efficacy; and in numerous ways recommend them to the people of their charge.

THE LEGAL PROFESSION testify to the same thing; in short, the public at large hail the introduction of these medicines as a PUBLIC BLESSING.

There are over TEN THOUSAND AGENCIES of the Company in the United States, which are not only profitable to the agents, but of vast benefit to the inhabitants. There should not be a single Town, Village or Hamlet, without its Grifenberg Depot; and if this Bulletin is read where there is no agency, application should be made for one at once.

Certificates almost without number, are on file at the office of the Company, testifying to cures of the most astonishing kind; many of which have been duly examined by the following distinguished gentlemen:

Rev. N. BANGS, D. D., FRANCIS HALL, Esq., Ex-Mayor Brady, all of N. York.

The power of the Grifenberg Medicines over all BILIOUS COMPLAINTS, no matter what their form or severity, is a matter of PROVED ASTONISHMENT. Let all, therefore, who are so afflicted, and who would CLEANSE THE SYSTEM, resort at once to the celebrated Grifenberg VEGETABLE PILLS and HEALTH BITTERS. At all events let them call at some one of the agents, and get a pamphlet.

DR. E. EASTERLY'S Medicated Strengthening Plaster

THIS plaster has been prepared under the immediate eye and superintendence of an old physician, who is a graduate of the University of Pennsylvania, and has had extensive practice for more than 20 years in treating the various diseases incident to this country. He confidently recommends this Plaster, from a thorough knowledge of its virtues, to be superior to every Plaster now in use. By keeping up a gentle perspiration, it is admirably adapted for Pains or Weakness in the Breast, Side, Back or Limbs; also, for the Gout, Rheumatism, Enlargement of the Spleen, Liver Complaint and Dyspepsia, and for Coughs, Colds, Asthma, Difficulty of Breathing, Oppression of the Stomach, &c. To all persons predisposed to Consumption, or who are subject to violent coughs and colds, they are particularly recommended—as they give almost immediate relief, and for pleasantness, safety, ease and certainty, they are decidedly superior to most other remedies.

Persons afflicted with any of the above diseases will find Dr. Easterly's Medicated Strengthening Plaster much superior to any other ever before offered to the public. Physicians, druggists and dealers in Medicines, will find it to their interest to keep a supply of these valuable Plasters on hand to accommodate their patrons.
